2017-18 FUNDING SOURCES

Corporate Champions cover the majority of administrative and fundraising expenses of the Twin County United Way. This allows more of individual donor dollars to go directly to local programs and services.

Designated and direct pay campaign gifts are dispersed according to specific donor instructions. The Twin County United Way makes it convenient for donors to support their favorite charitable organizations.

Undesignated campaign funds allow the Twin County United Way to leverage donor dollars and provide resources where support is needed most. This is the Community Fund.

COMMUNITY FUND GRANTS paid out in 2017: \$448,879

The Twin County United Way Community Fund Grants are invested in local nonprofit programs in these areas:

EDUCATION: Helping children succeed at school, graduate on time prepared for a strong future.

INCOME: Helping local families and individuals achieve financial independence.

HEALTH: Improving health outcomes through preventative action and access to care.

KINDERGARTEN READY!

The Twin County United Way supports Kindergarten Boot Camps and other kindergarten readiness efforts to help ensure children have the essential skills they need to begin school ready to succeed. Special thanks to Women United and funding from the Laura Moore Cunningham Foundation and Wells Fargo.
