2021-22 ANNUAL REPORT

Kindergarten Readiness Program

"You guys are wonderful! What an amazing program!"

Heather Ellis-Worley, parent

"Our students and staff truly enjoyed the opportunity."

*Dale Bonfeild
Asotin-Anatone Superintendent*

Twin County United Way's annual Kindergarten Bootcamp had another outstanding summer and graduated 72 students from Lewiston, Clarkston, Asotin, and Lapwai schools.

Kindergarten Bootcamp is a five-week summer program held in the mornings and taught by certified teachers to help children entering kindergarten to be ready for school, both academically and socially. The program helps students with letters, numbers and other areas of academics while also teaching classroom behavior.

The goal of the program is to prepare students for school and help those who may be behind on learning catch up before starting kindergarten. This year there were three classes in Lewiston and one each in Clarkston, Lapwai and Asotin.
